

Hello Everyone!

I pray this finds you enjoying a wonderful spring time! I sure was ready for some warm weather. We have had a busy year thus far and have filled over 550 orders at All Things Baby already for 2010! GOD is so great! We have a few events for the month of May and have made some business hour changes for the warm spring and summer months, this is very important since we do not have a A/C in the warehouse.

We have just had two "Surrendering the Secret" groups (our postabortion Bible study) wrap up! We had numerous women attend which means numerous women's hearts have been radically transformed by the power of the risen CHRIST! We will be offering more groups, please contact us for more info.

Our partnership with Agape Connection Ministries is going well. Laronda has been offering her services to our clients as well as any women in the community who is in need of spiritual counseling or just someone to talk to. If this is a service you could use, please contact us!

**Upcoming Events:**

May 7th 11am to 1:30pm- Prom Prep Day at Emerson High School OKC. We are going down to Emerson High School and going to do a "Salon Day" for the teen moms. If you would like to go and help with up-do's, nails (manicures only), make-up, chair massages or help with food please let us know. This is the second year to do the event and it was so great last year. It is so amazing to see how excited these girls get when someone makes over them and makes time just for them. This event is used by the teachers as a "reward" for those girls who have been working hard, keeping their grades

up and coming to school regularly. Please contact us ASAP if you would like to be a part of this really great event.

May 18th 10:45-12:30 at All Things Baby- We are working with Boulevard Academy in Edmond (the alternative school). I have talked to the counselors and they advised approx. 8 students have children or are pregnant. They also said that almost always, when a student has a child they will dropout completely. We are wanting to provide a mentor program for these girls with the hope of providing positive role models who can encourage and guide these young mom's to stay in school. To introduce these girls to All Things Baby, Inc. and the possibility of a mentor we are hosting a "Baby Shower" for all of these mom's on May 18th at All Things Baby. We hope the shower will be a great way to "break the ice", introduce the girls to the services at All Things Baby, Inc and hopefully some of you will feel led to be mentors and we can introduce them to you at the same time! Each girl is going to fill out a "needs" list and I will send those out when I get them. We are hoping to provide each girl with a few items for her child. We are also looking for a nurse to come and talk to these young mom's about some basic child care and safety issues. If you are interested in being a part of this great event please let us know.
